## THE STATE OF NEW HAMPSHIRE

---

To the Inhabitants of the Town of Holderness in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Holderness on Tuesday, the eleventh day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

By reason of the Primary Election, the polls will open at 10 o'clock in the forenoon and close at 6 o'clock in the afternoon.

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined for the purpose so determined, and to pass any other vote relating thereto.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to raise and appropriate the sum of \$450 for the Sceva Speare Memorial Hospital.

5. To see if the Town will vote to raise and appropriate the sum of \$100 for the control of White Pine Blister Rust.

6. To see if the Town will vote to raise and appropriate the sum of \$125 for Memorial Day.

7. To see if the Town will vote to raise and appropriate the sum of \$225 for either one of the following:

(A) Fourth of July fireworks

(B) Lakes Region Association

8. To see if the Town will vote to accept from Guy W. Cox and Channing H. Cox, both of Boston in the Commonwealth of Massachusetts, and Louis S. Cox, of Lawrence, in said Commonwealth, the sum of three hundred dollars, for a trust fund to be added to the trust fund of two hundred dollars heretofore accepted by the Town by vote on March 8, 1921, for the perpetual care of the cemetery lot of Daniel H., and Walter B. Cox, in the Town of Holderness, said lot being located on the northerly side of the road which runs easterly from the road over Cox Hill, in Coxboro, to the College Road, so called, and on the farm now owned by one Hall.

9. To see if the Town will vote to adopt the necessary by-laws to regulate the conduct of public dances.

10. To see if the Town will vote to have all its road equipment including trucks, marked in a conspicuous place with the distinguishing words, "TOWN OF HOLDERNESS."

11. To see if the Town will vote to make any alterations in the salaries of Town officers as determined by the voters of the Town at the meetings of March 12, 1940, March 13, 1945, March 12, 1946, March 9, 1948 and March 13, 1951.

12. To see if the Town will vote to discontinue the highway leading along the easterly shore of Little Squam Lake, as laid out by the Superior Court at the November Term 1904 on petition of Frank B. Schubmehl et al, upon the laying out of a substitute highway running in back of the cottages on the easterly shore of Little Squam Lake, provided the laying out of said substitute highway can be accomplished without expense to the Town.

13. To see if the Town will vote to adopt the Town Manager Plan as provided by Chapter 55 of the Revised Laws as amended.

14. To see if the Town will vote to transfer the powers and duties of Tax Collector to the Office of Town Manager, as provided in Section 16, of Chapter 55, Revised Laws as amended by Chapter 236, Laws of

1947, said transfer to take place if and when the office of Town Manager is established within said Town.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 18th day of February, in the year of our Lord nineteen hundred and fifty-two.

JOHN M. CRAFTS,  
ERNEST L. CHAMBERLAIN,  
WALTER W. HILL,  
Selectmen of Holderness, N. H.

A true copy of Warrant—Attest:

JOHN M. CRAFTS,  
ERNEST L. CHAMBERLAIN,  
WALTER W. HILL,  
Selectmen of Holderness, N. H.

## BUDGET OF THE TOWN OF HOLDERNESS

### Sources of Revenue

Estimates of Revenue and Expenditures for the Ensuing year January 1, 1952 to December 31, 1952. Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the previous year January 1, 1951 to December 31, 1951.

\*Total estimated "Revenues from all sources except Property Taxes" deducted from Total "Appropriations recommended by Budget Committee" should give estimated "Amount to be raised by Property Taxes," exclusive of County and School Taxes.

† Cash Surplus equals Excess of actual Cash on Hand at close of fiscal year over Current Liabilities, i.e., Balance of Appropriation due School District, Unexpended Balances of Special Appropriations, Outstanding Temporary Loans in Anticipation of Taxes and Accounts Payable.

Board of Selectmen

Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Holderness for the fiscal year ended December 31, 1951, which was made by this Division in accordance with the vote of the Town.

**Scope of Audit**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Fire Department. The records of the Trustees of Trust Funds were not available at the time of the audit.

**FINANCIAL STATEMENT**

**Comparative Balance Sheets: Dec. 31, 1950 -  
Dec. 31, 1951: (Exhibit A)**

Comparative Balance Sheets as of December 31, 1950 and December 31, 1951, are presented in Exhibit A. As indicated therein the financial condition of the Town changed from a Net Debt of \$4,448.78 to a surplus of \$3,517.78, during the year 1951.

**Analysis of Change in Financial Condition:  
(Exhibit B)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

### **Decreases in Net Debt and Increases in Surplus**

Net Budget Surplus	\$ 2,307.67	
Long Term Notes Paid	5,000.00	
Appropriation for 1950 Deficit	519.11	
Increase in Accounts Receivable	113.00	
Tax Collector's Excess Credits	34.54	
	<hr/>	\$ 7,974.32

### **Increases in Net Debt and Decreases in Surplus**

Transfer of Tax Liens to Tax Deeds	\$ 7.76	
	<hr/>	
Change in Financial Condition	\$ 7,966.56	

### **Comparative Statements of Appropriations and**

#### **Expenditures - Estimated and Actual Revenues:**

(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1951, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$1,657.77, plus a net revenue surplus of \$649.90, resulted in a net budget surplus of \$2,307.67.

#### **Statement of Long Term Indebtedness: (Exhibit E)**

A statement of long term indebtedness as of December 31, 1951, showing annual maturities of principal and annual interest requirements, is contained in Exhibit E.

#### **Summary of Receipts and Expenditures: (Exhibit F)**

A summary of receipts and expenditures for the fiscal year ended December 31, 1951, made up in accordance with the uniform classification of accounts, is included in Exhibit F. Proof of the Treasurer's balance as of December 31, 1951, is indicated in Exhibit G.

### **AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipt and disbursement of

public funds, with the exception of the Trustees of Trust Funds, were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

## **GENERAL COMMENTS**

### **Bounties:**

It was noted that payments had been made for bounties during the period from 1947 to 1951, in the amount of \$155.00, for which the Town had not been reimbursed by the State. This appears as an asset account in the Balance Sheet, (Exhibit A). The proper form should be made out and filed with the State for reimbursement of bounty payments by the Town.

### **Road Agent:**

Voucher and check No. 660, were originally issued to Road Agent Walter F. Greenleaf in the amount of \$278.00. Subsequently the amount of the voucher was changed to \$165.00, the actual amount of the payroll, but the check went through and was cashed for the original amount of \$278.00. Therefore a refund for the amount of the difference, \$113.00, should be made to the Town by the Road Agent. This account has been included in the Balance Sheet as an asset item.

### **Dog Licenses (1949) due School District:**

The amount of the 1949 dog license, \$183.90, should be paid to the School District by the Town, as the new law which transferred dog license funds from School District to Town revenue did not become effective until 1950. This account is included as a balance sheet liability item.

### **Yield Taxes—Levy of 1951:**

It was found that the warrant for the 1951 yield taxes, in the amount of \$2,148.11, was not committed to the Collector until January 18, 1952. For accounting purposes, however, the amount of the yield tax warrant was charged to the Collector in the summary of the 1951 warrant and included in the amount of uncollected 1951 taxes with which he was credited as of December 31, 1951. (Exhibit H.)

### **Conclusion:**

The accounts of all town officials which we examined were found in good order and the accounting and financial procedures, with exceptions as herein indicated, conformed to prescribed methods.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly ,

HAROLD G. FOWLER, Director

Division of Municipal Accounting

State Tax Commission

Alan R. Matthews, Auditor

Hugh J. Cassidy, Accountant

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Holderness for the fiscal year ended December 31, 1951; and, with the exceptions as noted in the report, found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town, together with the results of operations for the period under review.

Respectfully submitted,

## SUPERINTENDENT'S REPORT

### A Centralized School for Holderness

The district voted in 1950 to build a centralized school. In 1951 the sum of \$5,000 was set aside to start a capital reserve fund for the building.

Since the district has voted for the school, the school board assumes that each year an article should appear in the warrant under which the district may raise or borrow the money. Voting any question of raising money, however, is subject to the approval of the budget committee. Building materials are hard to get and costs are high at this time, but there seems small prospect of any decrease in the near future. By putting off this project from year to year we are depriving our children of facilities which most towns in the state are finding a way to provide.

Our teachers are experienced and capable, and most of our children give a good account of themselves in high school, but they deserve a better educational opportunity and environment than we can give them with the limited facilities of our present one-room schools. The school board this year is offering to pupils in grades 7 and 8 the privilege of attending junior high school in a neighboring town, tuition to be paid by the district but the parent to provide transportation.

### School Marks

A marking system is a plan for reporting to parents the work that children do in school. Teachers and other school officials differ in their opinions as to what kind of marking system is best, but we all agree that parents should have a clear understanding of how their children are succeeding in school.

The chief objection to the traditional plan of school marks is its emphasis on comparing one child with another. Whenever report cards are given out, the pupils hurry to look at each other's cards. "What did you get? I got an A!" is heard on the playground. The disappointment of the child who tried his best and

only got an F is indeed hard to bear. On the other hand, the pupil who gets an A without half trying is apt to develop habits of getting by without effort.

In the primary grades, many schools have found that a visit from the parent to see the work that the child is doing, followed by a conference with the teacher, is a much more satisfactory plan than the use of a report card. Some schools are dispensing entirely with the traditional card, as well as the system of comparative marking in favor of the plan of personal conferences (or possibly letters) between the teacher and the parent.

In Holderness, the plan this year involves parent-teacher conferences for all pupils in the first two grades, with the possibility that next year this plan may also be used in grade 3.

### **State-wide supervision**

Occasionally it seems appropriate to explain in this report the New Hampshire state plan of school supervision. To many readers this is a familiar story, but others will find it new.

In New Hampshire all public schools are supervised by a superintendent who is chosen by the local school boards and employed by the State Board of Education. With the exception of the larger cities, the superintendent serves from two to eight school districts, which make up a "supervisory union." Holderness is one of six towns in the Ashland-Meredith supervisory union, others being Center Harbor, Moultonboro and Sandwich.

The superintendent's salary is paid in part by the state and in part by the local districts. Other expenses of his office, including the salary of a secretary, are paid entirely by the six districts in the union. The amount to be assessed for these purposes is determined by a meeting of the union board (all six school boards meeting together) which is usually held in December. The total union budget voted for the year 1952-53 is

\$8,641. This is apportioned among the six districts on the basis of school enrollment and adjusted valuation. Holderness' share for the year 1952-53 is 12.3% of the total.

### Teachers are Scarce

Fifty years ago a young man who wanted to work his way through school could stay out for a term or two and teach school to earn money. School boards did not think too much about finding teachers who were well trained—anyone who was strong in discipline would do. "Teachers are born, not made," was a common saying.

Today, parents are not content to have an unqualified teacher for their children. To be a teacher, one must have either a college degree or some experience in teaching. The most crucial problem of public education today is that of providing our children with teachers who are well qualified. Not enough teachers graduate from our state teachers colleges each year to fill the positions that are open, and this shortage is nation-wide. New Hampshire loses each year 100 or more of its teachers to other states that offer better salaries.

Two of the best ways to halt this trend and to set about holding our good teachers in New Hampshire, as well as recruiting young people to enter the profession, are to pay adequate salaries based upon a definitely established salary schedule and to provide satisfactory conditions of employment. Therefore, the State Board of Education has suggested that local school boards act at once to develop a salary schedule or guide for their school system. Those school boards which have already developed and adopted salary schedules can testify to their value and improved morale-building results.

In many districts, including Holderness, the school board has adopted a salary schedule which provides an increase of about \$100 a year for teachers who are doing satisfactory work. Under such a schedule, a beginning salary of \$2400 for a teacher with a bachelor's degree is suggested for the future. If similar

schedules can be adopted throughout the state, more young people can be induced to enter the profession.

For the year 1951-52, the average salary paid to teachers in New Hampshire is \$2,940. The average in the Ashland-Meredith union is \$2,514, and that of the Holderness teachers is \$2,487.

Respectfully submitted,

ALMON W. BUSHNELL,

Superintendent

## HOLIDAYS

October 13, 1952	Columbus Day
November 27, 28, 1952	Thanksgiving
January 1, 1953	New Year's Day

Total number of school days according to above calendar is 184. The minimum allowed by State Board regulations is 180. This means that days lost due to bad weather or other causes must not exceed 4. Any days missed in excess of this number must be made up, probably by lengthening the school term after June 12.

Time taken during the year for institutes or attendance by teachers at educational meetings, not to exceed 8 days, need not be made up.
